

Lago Vista Community Board

Adam Benefield, Lago Vista City Council, Place 2 · 14 hours ago · 🌐

City Council received the resignation of our new interim City Manager Isaac Turner.

He stated in his resignation letter, "someone else should lead the implementation of needed dynamic structural changes and cultural shifts to our organization."

He concludes with, "Thank you for your trust and the City of Lago Vista Staff for their overall receptivity and support of my leadership."

It's a big blow but we will figure it out. **See less**
